

KENNEDY FEDERALIZES ALABAMA GUARD

Integration Occurs in Five Cities

BIRMINGHAM, Ala. (AP)—School integration came for 20 Negro children today in three cities after President Kennedy stripped Gov. George C. Wallace of his control over 17,000 Alabama National Guardsmen.

All was quiet at most of the five schools desegregated at Birmingham, Mobile and Tuskegee.

But disorders broke out at West End High School in Birmingham where students started a boycott of classrooms which normally are attended by about 1,500. The students yelled displeasure of the Negroes being admitted.

Crowds gathered and male segregationists scuffled with police. Several arrests were made, then reinforcements of police and sheriff's deputies arrived to get the situation under control.

Thirteen Negroes entered school at Tuskegee and two went into a high school at Mobile in addition to the five at Birmingham. Three arrests were made at Mobile but the situation generally was quiet and orderly.

At Huntsville, four pupils not affected by Wallace's barring of Negroes from schools Monday in the three other cities went back to class for the second day. One first grader walked into the building alone after his father let him out of a car nearby.

Wallace, who had ordered the National Guard out early today only to see Kennedy take control of the soldiers, continued to decline comment on the day's events. There still was no answer as to why he let Negroes into schools at Huntsville Monday while barring them in the other cities.

High officials of the Justice Department observed the start of inter-

racial schools days in Birmingham.

An Army spokesman announced that 200 federalized National Guardsmen are moving from Tuscaloosa to a Birmingham armory "as a routine precautionary measure."

He said they would be available if local authorities asked assistance in maintaining law and order, adding that there is no indication now that their services will be needed.

Two teen-age Negroes walked into Murphy High School at Mobile before 7:30 a.m. to become the first of their race to attend school with white pupils in the state at the high school level. The Huntsville desegregation involved grammar and junior high schools.

Guardsmen under Wallace's control for a few hours went on duty before dawn at the Mobile school. But they withdrew later to an armory under Kennedy's federalization proclamation.

Sewer Line Bid Accepted Today

A bid for repair work on a sewer line on Graham Street was accepted today by the City Council, subject to an engineering revision which will reduce the \$3,650 bid by an estimated \$800.

Blair Brothers Construction Co. had submitted the only offer to do the work. Mayor Lindquist said the council felt the bid was a little high and had asked C. K. Willett, consulting engineer, to go over the bid and suggest revisions. He said an \$800 savings should be realized by the revised contract.

A revised bid for a new truck for the Street Department submitted by the Coffey Equipment Co., today was accepted by the council.

Last week, two bids were received for the truck, which the specifications said, among other things, should have an engine with at least 332 cubic inch displacement. Of the two bids submitted, one met the specifications, the other did not. The net price of the one which came up to specifications was \$170 more than the one which did not, which was turned in by Coffey.

Commissioner Harold Bay said he had a subsequent offer from

Coffey in which the city can purchase a truck with a 345 cubic inch displacement engine for \$78 more than the original bid price for a unit with a 304 cubic inch displacement motor.

In the original bidding, Roberts Ford Sales Inc., offered a truck meeting the specifications for a net trade-in price of \$3,740, and Coffey offered a truck which did not meet the specifications for a net price of \$3,570.

The council today voted to purchase a truck from Coffey which more than met the specification for a net price of \$3,648.

Bay reported his department removed 221 diseased Elm trees during the months of May, June and July.

Mayor Lindquist reported on activity during August at the municipal airport: 147 incoming flights; 24 company-owned planes landed; 15 of these were twin-engine crafts; 178 passengers passed through the airport; three charter flights left the field, and there were 27 days of flying weather.

In other business the council approved labor and outside claims amounting to \$14,099.44.

Commissioners Arthur Tofte and Harold Rorer were absent from the council meeting.

... President Kennedy, Sen. Dirksen talk test ban

Drive To Ratify Test Ban Gains Momentum

Halt Ordered In Drafting Married Men

WASHINGTON (AP)—President Kennedy today ordered a halt to drafting of married men so long as enough single men are available to maintain the strength of the armed forces.

Kennedy signed an executive order which provides that married men shall be inducted only after all single men in the 19-25 age group have been drafted.

Military sources said that, for the foreseeable future, enough single men will be available so that there will be no need to draft husbands.

Only a major increase in military strength, they said, would again place married men within the scope of the draft.

Li. Gen. Lewis B. Hershey, Selective Service director, estimated that about one out of every five men now classified as 1A—available for service—is married and without children.

A previous executive order last March provided for deferment of fathers.

The White House said the halt to induction of married men will mean that young single men generally will be drafted at an earlier age. At present the average draftee is about 23 years of age.

Some 1.7 million men are classified 1A. This pool has been growing in recent years because of the crop of "war babies" reaching the minimum draft age of 18.

WASHINGTON (AP)—A bipartisan drive in the Senate to ratify the limited nuclear test-ban treaty has gained momentum.

President Kennedy is planning to try to help it along with a letter to the Senate, perhaps Wednesday.

The letter is intended, according to Republican Leader Everett M. Dirksen, to "dispel doubt and resolve some of the apprehensions and misgivings."

Dirksen added his weight to the ratification drive Monday. After a meeting with Kennedy and Senate Democratic Leader Mike Mansfield, Dirksen said he will use Kennedy's letter as the basis for a Senate speech urging ratification without reservations.

Formal debate on the treaty got under way Tuesday.

Sen. J. W. Fulbright, D-Ark., chairman of the Foreign Relations Committee, appealed for ratification of the treaty to help the world "break out of the fatal cycle of fear and armaments and greater fear and finally war."

The bipartisan note was stressed from the start of debate when Sen. Leverett Saltonstall, R-Mass., a member of the Preparedness subcommittee—a center of opposition to the treaty—followed Fulbright to voice his own strong support.

Saltonstall said the treaty, in substance, is similar to that offered the Russians by President Dwight D. Eisenhower in 1959 and by Kennedy in 1962.

Delay Action On Streator City Officials

CHICAGO (AP)—Judge Hubert L. Will of the U.S. District Court postponed today until next month further action on extortion charges against Ray Sopher and four present and former members of the Streator City Council.

The judge told counsel that on Oct. 1 he will set a date for trial. The men are charged with obstructing interstate commerce by extortion and conspiracy.

The government asked for a delay in meeting requests of defense attorneys for a bill of particulars. The judge then marked Oct. 1 on his calendar for setting the trial date. He also may hear motions at that time.

Mayor Sopher attended the brief court session with his wife, Isabel, and their daughter, Sharon, 17.

Mayor Sopher was arrested May 7 in Chicago and accused of soliciting a \$3,000 kickback on a \$30,000 city contract for sewer equipment. Sopher, who had just been elected to a second term in a non-partisan vote, called the cash a political contribution.

The other defendants are John R. Kerestes and John A. Ramza, present members of the council, and Michael F. Ryan and Matthew J. Tibbles, former members.

Kerestes was in court but the others were absent. All are free on bond.

News of the Nation

WASHINGTON (AP)—Seventy-three of the Senate's 100 members either are committed to or are inclined now to vote for ratification of the limited nuclear test-ban treaty, an Associated Press survey showed today.

But 27 senators either are opposed to approval or have grave reservations about the treaty that would ban all but underground testing. Of this group 12 have either announced their opposition or have voted in committee against the treaty. Fifteen are listed as doubtful.

WASHINGTON (AP)—President Kennedy described his \$11 billion tax reduction proposal today as recession insurance, and said "the prudent man does not tempt fate by unnecessarily delaying his acquisition of insurance."

WASHINGTON (AP)—The House Ways and Means Committee in effect approved President Kennedy's \$11 billion tax cut bill today.

The committee voted on strict party lines, 150-10, to direct Chairman Wilbur D. Mills, D-Ark., to introduce the bill finally agreed on after more than half a year's work.

FORT BRIDGER, Wyo. (AP)—After surviving an airplane crash and five nights on a 9,200-foot mountain, David Brophy, 28, and his three small children today are concerned only with getting home.

Brophy and his children—Donald, 7, Donna, 5, and Michael, 4—were en route to their Silverdale, Wash., home last Tuesday in a small single-engine aircraft.

An unemployed airplane mechanic, Brophy said the plane was caught in a downdraft and he stalled it into the tops of some trees. He suffered cuts and bruises but the children were not hurt.

CLEVELAND (AP)—Sen. Barry Goldwater, R-Ariz., says he will decide before the end of the year whether to run for the Republican presidential nomination.

Goldwater told newsmen Monday: "No man can ignore the pressures I have been subjected to, nor ignore the young people urging me forward toward this honor."

ALBANY, N.Y. (AP)—Gov. Nelson A. Rockefeller of New York has renounced a campaign pledge to hold the state tax line throughout his second term, saying the promise had been based on an economic growth rate forecast by President Kennedy's administration but not achieved.

MIAMI BEACH, Fla. (AP)—A small cannon exploded during the annual parade of the American Legion convention Monday night. Four persons were injured.

WASHINGTON (AP)—President Kennedy has signed a bill designed to speed up work on the \$35.5 Rend Lake water project in Illinois.

Rep. Kenneth J. Gray, D-Ill., sponsor of the bill, announced today the White House action.

JFK: Patience In Viet Nam

WASHINGTON (AP)—President Kennedy says the United States must pursue a policy of patience in South Vietnam and avoid a get-tough slash in aid.

An aid cut, Kennedy said Monday night, might bring about a collapse of the Vietnamese government of Ngo Dinh Diem and open all of Southeast Asia to the threat of a Communist take-over.

The President in a nationally televised interview on the Huntley-Brinkley Report, conceded there was no easy solution to the Vietnamese problem marked by internal opposition to the Diem regime and the government's widespread arrests of Buddhists and students.

Kennedy expressed the administration viewpoint in these words:

"We are using our influence to persuade the government there to take those steps which will win back support. That takes some time and we must be patient, we must persist."

He expressed concern that Americans might get impatient and urge a U.S. withdrawal from South Vietnam.

"That only makes it easy for the

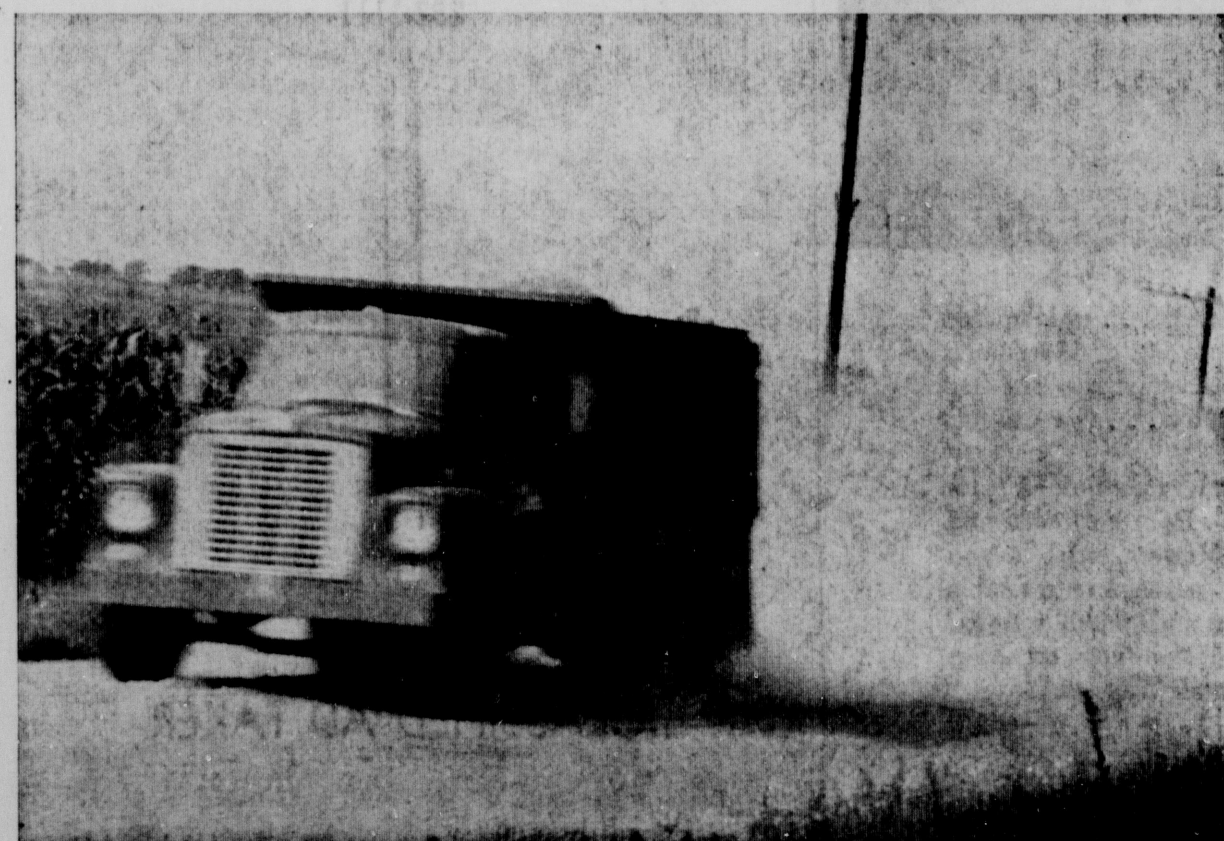

Communists," Kennedy said. "I think we should stay. We should use our influence in as effective a way as we can, but we should not withdraw."

On other topics, Kennedy said: "The United States would sound a very uncertain trumpet around the globe should the Senate refuse to ratify the limited nuclear test-ban treaty 'after the government has committed itself to it.'"

"The federal budget will be balanced more quickly than otherwise if Congress passes an \$11-billion tax cut this year to stimulate the economy. Without a tax cut, Kennedy said, '1964 is going to be an uncertain time from an economic standpoint.'"

"It would be 'a fatal mistake' to let civil rights 'divide this country politically into Negroes and whites,' Kennedy said he doesn't believe this will happen and he expects the North "will continue to support" civil rights.

"Kennedy doesn't know if he'll meet this fall with President Tito of Communist Yugoslavia. But he said meetings are planned with most foreign presidents who, like Tito, will attend the U.N. general assembly meeting in New York."

Dust Follows Speeding Truck on Rural Sublette Road

Cloud of Dust Engulfs Board

By CLARK KELLY
Telegraph City Reporter

A cloud of dust, reminiscent of the dustbowl days of the early 1930s, today rolled into the Lee County Board of Supervisors' room.

A delegation of angry farmers, together with their wives and children, who said they were "tired of eating dust from 7 a.m. to 5:30 p.m.," descended upon the supervisors to complain about road conditions in front of their homes.

Their problem—dust, dust, dust and more dust.

The farmers all live on a north-south gravel road connecting Shaws with Rt. 52. North of Shaws is a gravel pit, from which trucks roll every day. The trucks haul gravel from the pit to a road project west of Sublette.

It is this continuous traffic of

trucks to and from the pit which causes the clouds of dust. The farmers stood it about as long as they could and today demanded action be taken.

In a petition to the supervisors, the farmers charged that the dust created unhealthy living conditions for both man and beast, dangerous driving conditions, hazards to life and limb, and damaged property along the road.

The supervisors voted to refer the matter to the road and bridge committee after hearing Acting Lee County Health Officer Dr. Robert C. Miles charge, "these are terrible conditions. If I lived where these people do, I would have complained much sooner."

This reporter visited the area Monday and hauled back somewhat

Ellery Knake, extension weed specialist, will speak on quackgrass control on Dick Green's program over WQAD-TV, Moline on September 10. Fall applications of chemicals on quackgrass have given good control.

Every now and then we are pleasantly surprised. We're used to abuse, however, letters of appreciation are sometimes few and far between.

This morning's mail brought a note from two 4-H'ers expressing their appreciation for the enjoyment received all through their 4-H years. They also expressed appreciation for the 4-H Center and what it has done to facilitate the program.

If you have a son or a daughter who will be 10 years old or older by next July 1, he too, can take advantage of the opportunities offered through the 4-H program. A new 4-H year is now starting. Our office or a local 4-H leader can furnish more information.

Only 7 per cent of rural youth in the 20-24 years of age group are attending college in contrast to 17 per cent of urban youth according to the 1960 census. Illinois is definitely not one of the states leading in the percentage of rural youth going to college.

Many young people in Lee County are going to college this week. Many who graduated from high school last June still aren't sure what they are going to do. It may be too late to be accepted in a college this fall, however, if they have the ability and the interest they should be encouraged to start to school next semester or next fall.

We are sometimes asked if professors at the University of Illinois College of Agriculture are required to fail a certain percentage of the students in each course. The professor is not told how many to fail, and in many courses not a single student fails in a given semester. About 9 or 10 per cent are dropped at the end of each semester, but many are readmitted at a later time.

At a recent meeting which I attended the discussion was about high school and college education. The question was asked "What will we do with the boy who is flunking in high school and wants to start farming with his dad after two years? Dad is willing to take him in." Someone else, who had more than a passing acquaintance with the economic facts of life, asked "Is it a wise decision to take this boy as a partner into a business worth more than \$150,000?" Perhaps he should seek training in some trade or occupation that does not require the many abilities necessary to be a successful farmer today.

This statement needs no further comment but is worth thinking about.

Byron Thier, West Brooklyn, was re-elected president of the Illinois Farm Bureau Farm Management Assn. at the State Annual Meeting held in Knox County last week.

IOOF Names New Officers In District

AMBOY — New officers were elected at the meeting of the Illinois Subordinate District 23 IOOF held here in the IOOF Hall Thursday evening. Walter Shofner, Rock Falls, district president, presided at the meeting.

Named to serve for the coming year were Ronald Adair, Sterling, president; Wiltie McCoy, Dixon, vice president; William Appleman, Amboy, secretary; and Frank Tenyson, Dixon, treasurer. Following the business session, there was a social hour and refreshments were served by members of Green River Lodge 909, who were hosts for the evening.

Guests were present from Rock Falls, Sterling, Polo, and Dixon lodges. The newly elected officers will be installed at the next regular meeting, to be held at Rock Falls Oct. 9.

The Illinois State Bookmobile from the regional library at DeKalb visited the Pankhurst Memorial Library Friday afternoon. Mrs. Oscar Berga, librarian, selected 120 new books which will be on the shelves for the next six weeks for the use of local patrons.

The new Girl Scout Handbooks were recently received at the library through the courtesy of the Green Hills Girl Scout Council and may be used by any Girl Scout or leader.

Farm Living

By H. H. FULKERSON
Ogle Co. Farm Adviser

Farmers were advised to be a little optimistic in 1963, although some outlook is a little hazy. Robert Schwartz, agricultural economist, University of Illinois, speaking at the Fall Outlook Meeting told those attending that the U.S. Gross National Product would increase from \$580 billion last year to more than \$600 billion in 1963. Some of this will be offset by government spending.

Many business activities have reached new highs. But there are signs that the upward trend is about to be interrupted. There is a growing surplus of office space in many cities. This is often one of the last developments before a serious recession.

Demand for beef is expected to increase 3 to 4 per cent next year. The downward trend in pork consumption has been stopped. It is now leveling off and may start upward—possibly increase 2 per cent.

Feed grain supplies will be plentiful. Soybeans prices may be up. This will increase the price of soybean meal.

Feeder cattle prices have lowered in recent weeks according to Joe Rogers, commissionman, Illinois Producers Livestock Assn. He expects prices to drop more because farmers feel feeder prices are too high. As soon as the trading price

has been set, farmers may rush in to buy cattle. This will cause a price increase. In general, the supply of feeder cattle will be larger than last year—demand will be less.

Price range: Choice 400 pound steer calves—23-31 cents; 600-650 choice short yearlings—27-29 cents; choice yearlings—25-27½ cents; heifers—23½-25 cents.

The fat cattle market should be more favorable after Jan. 1 when most of the heavy cattle have been marketed. Both Rogers and Schwartz cautioned farmers not to continue to market high choice and prime cattle weighing over 1200 pounds. There is a limited market outlet for these kind of cattle. The rest "spill" over into a market where consumers want to pay less because of too much fat. This excess fat and excess weight depresses prices.

Schwartz pointed out research at the University of Illinois where costs were found to range from less than 12 cents to more than 29 cents per pound to grow and fatten cattle for market—the low price being cost for the first 100 pounds of gain on a 400 pound calf; the high price the last 100 pounds of gain on a 1300 pound steer.

Beef herds are up 26 per cent in 5 years—103.5 million head.

From 1940 to 1961 the proportion of hogs marketed at the 12 leading terminals declined from 27 to 20 per cent; cattle 47 to 33 per cent. There were further decreases in 1962.

Supplies of lamb expected to continue small—5 to 8 per cent less. Competition from beef, broilers and pork will still hold prices about the same.

Egg prices may be one cent per dozen lower.

Milk producers may receive a slightly higher milk price during the next 12 months.

Results of the demonstration on the O. J. Caron dairy farm proves it profitable to use ¾ pound of sevin to control blister beetle on alfalfa according to Steve Moore, entomologist. These beetles have caused trouble for dairymen and some beef producers who green chop alfalfa. Cattle refuse to eat the forage. Our thanks to the Carons and Rupert Schiller, Rochelle, for cooperating with the University of Illinois with this demonstration.

It is too late to fall seed hay and pasture.

Shrubs winter kill because of serious dry weather in the fall. Sometimes they receive little rain if they are under the eaves of the house. I suggested to the Don Gallup family, Egan, that they water their shrubs well starting in about 2 weeks and continue until the ground freezes. This should help prevent any drying out over winter.

Mother's Club Sets Nelson Meet

NELSON—The Mother's Club of the Nelson School will hold its first meeting 8 p.m. today at the Nelson School gymnasium when the election of officers for the ensuing school year will be held.

Present officers are Mrs. John L. Miller and Mrs. Sam Crady, co-chairmen, and Mrs. James Miller, secretary and treasurer. The meetings are held the second Tuesday of each month at the school and all mothers having children in the school or any interested parent are invited.

Mrs. John H. Moeller, social chairman for the past year, will be in charge of refreshments. The committee will be Mrs. James Miller, Mrs. Robert Minor and Mrs. Donald Baker.

The regular monthly meeting of the Nelson Village Board was held recently at the Village Hall with president Loren Jeter, presiding. Board members present were Walter Thompson, Lawrence Nelson, Raymond Guyre, and Rollo Bunnell. Harry Remrey and Wallace Janssen were absent.

Bills were presented for \$163.17 and ordered paid. One permit was issued to remodel a home.

The meeting closed in regular form.

Sp/5 and Mrs. Jack Griffin and children Cindy and Jackie left Thursday for Fort Dix, N.J., after spending several days at the home of Mr. and Mrs. Cecil Hunter and family. Griffin and Hunter were in the Army in Germany in 1959. Specialist Griffin and family expect to return to Germany in the near future for further service in the Army.

Ogle 4-H Club News

By RAYMOND I. MOWERS
Ogle Co. Asst. Farm Adviser

The 4-H Club leaders met Sept. 4 to grade record books which will be used by the Youth Committee as a basis for selecting County 4-H winners.

4-H members must enter in their record books all the 4-H activities in which they have participated in order to receive full consideration for awards.

The Youth Committee selects Ogle County winners. These winners are announced Nov. 2 at the 4-H Achievement Night program.

You Are Welcome to Attend

The Mount Morris Lions Club invites the public to attend the 4-H and FFA sale on Sept. 14 at 1 p.m. in front of the Mount Morris Bank. The Lions Club is cooperating with Vocational Agricultural teachers and the Agricultural Extension Service in sponsoring this sale for 4-H and FFA members.

Packer buyers, businessmen, and individuals will be bidding to get quality beef, pork and lamb.

The Lions Club will not charge a commission fee; so the 4-H and FFA members should profit by less selling cost, less shrink and higher market price for cwt.

Graded at DeKalb

The State Outstanding 4-H members' records will be taken to DeKalb Sept. 16 to compete with other counties in this district. The committee will select the State Outstanding members at this meeting. Winners in Ogle County will be announced Nov. 2 at the County Achievement Night program.

Five Can Start a 4-H Club

Five boys and girls between 10-20 years of age can start a new 4-H Club. Each member carries a project, keeps records, attends monthly meetings, and helps select his own 4-H club officers.

No dues are assessed 4-H members. There are 77 different projects for the members to select from. The projects are suitable for farm, urban and rural non-farm boys and girls.

If more information is desired, just contact Raymond Mowers, Assistant Farm Adviser, Pines Road, Oregon. The new 4-H Club year began Sept. 1; so why not start your new club now.

Federation Meet In Morrison Set

By PEARL BARNES
Ogle Co. Home Adviser

The Illinois Homemakers Extension Federation district meeting is next Wednesday, Sept. 11, at Morrison.

Representing Ogle County will be Mrs. Byron Blum, Polo, second vice president; Mrs. Ben Smith Jr., Oregon, secretary; Mrs. Harlan Blake, Leaf River, and Mrs. Merle Ackland, Rochelle, directors; and Mrs. Howard Corbett, Mount Morris, and I.

Workshops are planned for all phases of the Federation plan of work—safety, citizenship, public information, international, family life and membership.

"Leadership" will be the topic discussed by Mrs. Raymond Levasseur, Federation first vice president. Miss Carol Rebbe, our assistant state leader, will tell us about "Extending the Extension Service."

A new U.S. Department of Agriculture bulletin just came to my desk. It is **Conserving the Nutritive Values in Foods**.

Nutrients in foods vary greatly in their stability. Some nutrients, such as carbohydrate, are not affected to any great extent by ordinary handling. Other nutrients such as vitamin C (ascorbic acid) are readily lost from some foods, although stable in others.

Fortunately our most important sources of vitamin C—citrus fruits and tomatoes retain this nutrient very well. Contrary to what most people think, orange juice, whether freshly squeezed, canned, or reconstituted from frozen concentrate, can be held in the refrigerator for several days before vitamin C is lost. A lid on the orange juice container makes no important differences in retaining vitamin C.

Make full use of your wonderful garden tomatoes. Tomatoes vine-ripened out-of-doors in summer sunlight have twice as much vitamin C as tomatoes grown in greenhouses in the winter.

I'll be quoting from this bulletin from time to time.

The eighth Town and Country Art Show will be held Sept. 22-28 in the Architecture Building Gallery at the University of Illinois, Urbana.

The show will be open to the public from 1 to 5 p.m. every day except the last day, when the hours will be 9 a.m. to 3 p.m.

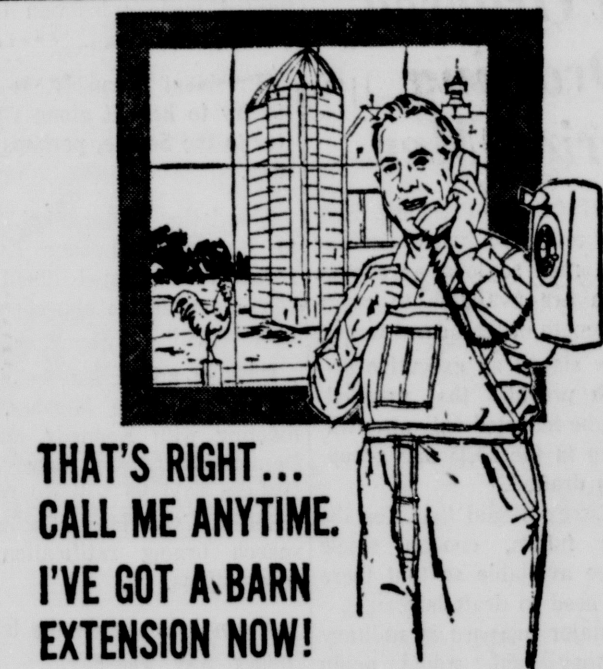

The state art show features the best art works from 29 local shows held in the state throughout the year. All of the exhibiting artists are amateurs, representing a cross section of rural and urban Illinois.

Two Groups Set Meetings In Oregon

OREGON — The Oregon Woman's Relief Corps will meet Friday at 2 p.m. in the Corps Home. Miss Ida Springsteen and Mrs. Henrietta Black will be the committee.

The Black Hawk Homemakers Extension Unit will meet Sept. 17 at 1:30 p.m. with Mrs. Robert McPherson, 207 S. 9th St. Mrs. Millard Farmer and Mrs. Glendon Holtapp will be co-hostesses. The major lesson will be given by Mrs. Julia Arbogast and Mrs. Wilbur Pickering and will be "Know Your County Government."

Handicraft Show

The Special Activities Committee met Sept. 5 at the Farm Bureau. Plans for the Handicraft Show to be held Oct. 2 and 3 at the 4-H Center were discussed. The Show, sponsored by the Homemakers Extension Association will feature displays from each unit of handicraft articles, demonstrations on various things, a Gimmick Tree, Country Store and

Centerpiece displays. For those interested in handicraft and creative art, the Handicraft Show should prove interesting to young and old.

Stretch Fabrics

Success in making clothing from stretch fabrics begins with a suitable pattern.

Some pattern companies offer special designs for stretch fabrics. But whatever pattern you choose, buy the same size as for any other

fabric. The fact that the fabric stretches doesn't mean that you need a smaller size. On the contrary, the stretchiness of these fabrics adds comfort only if clothing fit naturally.

If you don't use a pattern designed for stretch fabrics, you may need to change the suggested pattern layout and the allowances for fabric yardage. Most stretch fabrics pull just one way—crosswise. So, for slacks or other pants, lay the pattern on

the crosswise grain to take advantage of the stretch. On the other hand, for shirts or jackets, lay the pattern on the lengthwise grain.

Pin the pattern on the fabric with sharp pins to avoid perforating the yarns too much. You'll probably need more pins than normally. In cutting, be sure the fabric is relaxed, not taut. Hold it firmly as you cut.

Machine-sew slowly with at least

15 stitches per inch. Narrow zig-zagging also works well for stitching seams.

You won't want to line these fabrics because lining interferes with the stretchiness.

Press these fabrics lightly to avoid matting down the surface.

Outstanding Series Offered By Augustana

ROCK ISLAND—Ticket sales for the 1963-64 concert-lecture series at Augustana College are being resumed this week in the office of the Bergendoff Fine Arts Building.

Season tickets for the five programs are being offered to the public for \$7 each. Mail orders may be sent to the Concert-Lecture Series, Augustana College.

Sponsored by the college's board of cultural activities, the series includes two musical events and three lectures.

Opening number of the season will be a concert by the First Original Piano Quartet on Saturday, Oct. 19.

Other programs are: William L. Shirer, author of "The Rise and Fall of the Third Reich," Wednesday, Nov. 20; Chicago Chamber Orchestra, Sunday, Feb. 3; Dr. Werner VonBraun, American space authority, Saturday, March 14, and Harry Golden, writer, editor and publisher, Thursday, April 23.

All five programs will be given in Centennial Hall, starting at 8 p.m.

Patrons who already have placed orders will receive their tickets early in October.

Deaths and Funerals

Francis W. Heckman

Francis Wilbur Heckman, 76, was found dead of an apparent heart attack at the side of his house in Franklin Grove Monday afternoon, where he had been chopping wood.

An inquest is scheduled for 4 p.m. today at the Preston Funeral Home.

He was born Dec. 6, 1886, in Dixon, the son of John and Katherine Woods Heckman.

He was preceded in death by his parents, wife, two brothers, and one sister.

Survivors include one niece, Mrs. Arthur Pettenger, and one nephew, Roy Moyer, both of Dixon; and one step-daughter, Mrs. Lorraine Healey, Franklin Grove.

Arrangements are incomplete at the Preston Funeral Home.

Man Faces Charges in Wild Ride

ROCHELLE—A semi trailer truck driven by a Jacksonville man Monday afternoon caused havoc in a several block area of Rochelle when the prestressed concrete beams it was carrying struck utility poles and parked autos and a fire started in the truck.

James F. Butcher, 49, Jacksonville, is scheduled to appear today in a preliminary hearing before Justice of the Peace Wilbur Antoine, Rochelle, charged with drunken driving and leaving the scene of an accident. He was released on \$1,000 bond.

As the truck turned the corner of Second St. and Fourth Ave., the beams hanging off the end of the truck snapped off two telephone poles, putting 25 telephones out of commission.

Two blocks farther, police said, the truck sideswiped a parked auto and several blocks farther struck another parked car. It also hit another utility pole and ruptured a gas line in the truck which apparently caused the engine to burst into flames.

Rochelle firemen put out the blaze and Butcher started to drive away. The truck hit a third auto and dragged it 100 feet in the 600 block of Lincoln Highway.

Patricia L. Frost, 15, 1085 Westview Drive, slipped in a pool of oil and fell. She was taken to Rochelle Hospital for observation.

The truck was finally halted, and Butcher arrested, at 10th Ave. and Lincoln Highway.

Inquest Set In Death Here

An inquest will be held at 4:30 p.m. today to determine the cause of death of Paul L. Reilly, 70, who died after a fall at 3:45 p.m. Monday from a second story window at KSB Hospital, where he had a patient only a short time.

Reilly had been ministered to by a registered nurse about five minutes before he jumped from the window, according to Miss Agnes Florence, superintendent of the hospital. She said the nurse reported he seemed to be resting quietly when she left him.

He had been a patient in the Lee County Nursing home, Eldena, before his condition became worse and he was admitted to the hospital.

Lee County Coroner Robert Preston said Reilly apparently died of chest and head injuries.

He was born March 18, 1893, in Dixon, the son of Phillip and Rose Mahan Reilly.

He was a railroad clerk for the Illinois Central Railroad for 42 years before his retirement. A World War I veteran, he was a member of the American Legion and a charter member of the Knights of Columbus.

He was preceded in death by his wife, who died in 1958.

Survivors include five daughters, Mrs. Charles (Margaret) Dieterle, Mrs. James (Rosemary) Devine, Mrs. David (Ann) Lahey, all of Dixon, Mrs. Wesley (Evelyn) Herwig, Franklin Grove, and Mrs. Philip (Pauline) Hammond, Norman, Mo.; one son, Robert, Anaheim, Calif.; one sister, Mrs. Ann Laughlin, Mitchell, S.D.; 22 grandchildren, and one great-grandchild.

Services will be held at 9 a.m. Thursday in the Buckley Funeral Home and at 9:30 a.m. in St. Patrick's Catholic Church with the Rev. William Boland, pastor, officiating. Burial will be in Oakwood Cemetery.

Friends may call after 7 p.m. today in the funeral home.

Statehouse Dome Will Be Painted

SPRINGFIELD — The Statehouse dome will get a bright new coat of aluminum paint in the next few weeks, Secretary of State Charles F. Carpenter announced today.

The painting of the dome will be part of an exterior painting project covered by a contract awarded to H. F. Fritsch and Sons of Springfield on the company's low bid of \$18,378. The dome was last painted four years ago, Carpenter said.

Buildings included in the project are the Capitol, Archives, Power Plant and Records Center. Window frames, doors, ornamental iron and steel, grills, ventilators, cupolas and skylights will be painted. Work will start immediately and should require about six weeks to complete.

The Fritsch company bid was the lowest of four received, Secretary Carpenter said.

Highland Park Woman Sentenced In Ogle Court

OREGON—A Highland Park woman today pleaded guilty to a deceptive practices charge and was sentenced to 60 days in the Ogle County Jail by Ogle County Judge Helen M. Rutkowski. However, since she had been held 60 days for Ogle County authorities on the charge she was released to officials in Stephenson County, where she is also wanted for deceptive practices.

Aurelia Hurst, 52, was arrested July 12 on a complaint signed by Frank Tracey, owner of the Ace Hardware Store, Rochelle.

She is also wanted by LaSalle County authorities on a deceptive practices charge and by officials in Lake County, where she is out on bond for a burglary charge, for carrying a concealed weapon.

Rochelle Council Will Inspect Sites Thursday

ROCHELLE — City Council members agreed Monday night to meet at 7:30 a.m. Thursday to inspect possible sites for the housing of the \$58,000 fire truck which to date has been housed in a storage room of a utility building, located between two sets of railroad tracks.

William Lower, fire chief, proposed that the city build a temporary 24 by 60-foot building for the new truck on the city owned property at the corner of Standard Oil Road and S. Main St., where the city owns 19 acres of land.

The truck will eventually be housed in the new city building on the north side of town.

In other business the council entered a contract with the CB & Q Railroad for gates and signals to be erected at First Avenue Crossing and Washington Street, at a total cost of \$55,000. The city's share of the project is 10 per cent, which will be paid from the motor fuel tax funds. The railroad will also pay 10 per cent and the state will pay the remaining 80 per cent.

The council also okayed \$3,300 for the transfer of the fire department to its own radio frequency to comply with orders from the Federal Communications Commission.

Bids for a truck for the sewage disposal plant were opened but no

immediate action was taken. A bid of \$2,750 with no options was received from the Sawicki Chevrolet Company, \$2,658 from Manning Ford; \$2,551.10 from Rochelle Equipment International; and \$2,541 from Peter's Garage, GMC. The three last bids were received with options.

Chester Cluts, Monroe Center, the Ogle County Civil Defense Representative, asked the council to consider supporting a director and becoming an accredited Civil Defense Agency, and Ray Johnson, representing the Rochelle tavernkeepers, requested that taverns be allowed to remain open until 1 a.m. during Central Standard Time. No action was taken on either request.

At the request of Robert Lazier, street commissioner, the council will advertise for bids for a 10-foot body dump truck. Specifications were approved and bids are to be received in the city clerk's office by 7:30 p.m. Sept. 23.

R. G. Landis announced his resignation from the city planning commission due to his transfer to San Francisco, Calif., where he will work.

Police Chief Frank Danekas reported 345 calls made during August which included 23 accidents and four injuries. He also said that \$288 was collected in parking meter fines and \$294.86 from other fines.

Film About DSS Shown At White House

"Friday's Children" the documentary film concerning the Dixon State School, was shown at the White House recently, although it is doubtful if President Kennedy was present to see it.

Dr. Stafford L. Warren, the President's special assistant for retardation, sent a letter to Bruce Dennis, the news manager of WGN, the Chicago television station which produced the film, commending him for the production.

The contents of the letter, which was forwarded to DSS Supt. David Edelson, is printed below.

"Our staff enjoyed 'Friday's Children' very much. We appreciated your interest in the field of mental retardation and wish there were many radio and television stations throughout the country who had your interest."

May 1 Target Date for New Tourist Trail

AMANA, Iowa (AP) — May 1 has been set as the target date for the opening of a 2,000-mile tourist trail through parts of Illinois, Iowa, Wisconsin and Minnesota.

The date was set Monday at a meeting of Govs. Otto Kerner of Illinois, Harold Hughes of Iowa and John Reynolds of Wisconsin and Dr. Steven Quigley, representing Gov. Karl Roalvaag of Minnesota.

Gov. Kerner recommended that either Indian lore or the Mississippi River might be used to link the states and form a basis for the trail. However, no route was chosen or name selected.

Huge Pile of Corn Cobs Burns

OTTAWA, Ill. (AP) — A huge pile of corn cobs, purchased by the Illinois State Highway Department for mulch along Interstate 80, has gone up in smoke.

A fire Monday destroyed the 250,000 bushels of cobs piled at an intersection about eight miles north of Ottawa.

The state agency said they were purchased for use as mulch along Interstate 80 between Minooka in Grundy County and Ottawa in LaSalle County.

"We were working in the fields the other day and had to get 40 rods away from the road before the dust stopped bothering us," said another farmer.

The trucks continued to roll past the Clark farm on an average of one every two minutes. For a brief period, there was a lull, apparently because the trucks stop at Shaws to fill up with gas or the drivers took a coffee break.

"The dust creates problems for our machinery and for the livestock, too," Clark said.

Today Bulfer told the supervisors, "We may seem impatient, but we are interested in saving lives and property. Don't wait until someone is hurt before action is taken," he pleaded.

Leake admitted the people have a problem, but made no comment to suggest a solution.

Cox is to appear before Justice of the Peace Wilbur Antoine today.

New Scout Handbooks Are Ready

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

—Evening Telegraph Staff Photo

DIXON GIRL SCOUTS GET NEW HANDBOOKS—Representing the four age levels in the new scouting program, from the left, are Miss Susan Olney, Cadette; Miss Karen Callow, Junior; Miss Mary Healy, Senior, and Miss Susan Bantrup, Brownie. They are pictured above holding the new Girl Scout Handbooks now available in Dixon.

This week will mark the first meetings of Girl Scout troops in four new age levels. New Girl Scout Handbooks, developed to correspond with the age levels, are on sale for the first time in official Girl Scout equipment centers. While the age range for members remains seven through seventeen, troops will operate in four age groups: Brownie Girl Scouts (7, 8 years), Junior Girl Scouts (9, 10, 11 years), Cadette Girl Scouts (12, 13, 14 years) and Senior Girl Scouts (15, 16, 17 years). These new age groups make it possible for troop activities to relate more closely with their changing need and interest. Troop leaders will be given instruction in the new design of the Girl Scout program and a new Leader Notebook has been made for their use.

DON'T EXPERIMENT

Even when a teen-age figure begins to bulge in the wrong places, stick to the balanced meals, and don't experiment with crash diets. Most teen-age figures pass through several shapes before they achieve a final look and a nutritious diet and exercise will help the growing process.

Area Teachers Wed in Alton

OREGON — Miss Nancy Jane Wahl, Oregon Community High School home economics teacher, and Charles Evans Carlson, history and French instructor at Polo Community High School, were married Aug. 10 in a 7:30 p.m. wedding in the College Avenue Presbyterian Church, Alton. The bride is the daughter of Mr. and Mrs. Belmont Edward Wahl, Alton, and Mr. and Mrs. Gustave B. Carlson, Palatine, are parents of the groom.

White gladioli and ferns decorated the altar as the double ring ceremony was performed by the Rev. Henry O. Moore, pastor of the church. Attendants included Mrs. Gregory White, Champaign, as matron of honor and John Carlson, Arlington Heights, as best man. Mrs. Joseph Harris, Alton, Miss Victoria Carlson and Miss Judith Carlson, Palatine, also attended the bride. Groomsmen were John Dayle, Wood Dale, Belmont E. Wahl Jr., Alton, and Robert Schacht, Arlington Heights.

The Bride

Attired in a floor length slipper satin gown, fashioned with a bell shaped skirt and alencon lace bolero and Watteau panel, the bride carried a cascade bouquet of white roses

centered with a purple orchid. Her shoulder length bouffant veil was held by a double pearl crown.

Her attendants wore street length frocks of pink and green floral nylon over white satin, designed with bell skirts and bows at the back waist. Flat bows of the print held their circular veils and they carried white carnation colonial bouquets.

Miss Rhonda Cross and Miss Carolyn Saunders, Chana, former students of Miss Wahl, presided at the punch table during the reception held in the Sawyer room of the church following the ceremony. Mrs. Thomas Wetzel and Miss Karen Patterson, Alton, were in charge of gifts and Mrs. Robert Schacht, Arlington Heights, served the wedding cake.

Mrs. Wahl chose a pink and blue

sheer organdy dress and white accessories for her daughter's wedding and reception. The bridegroom's mother wore a sheath frock of olive green chiffon over taffeta, with white accessories.

For her traveling ensemble, the bride wore a light blue suit trimmed in the pink and white fabric of her scoop necked blouse, and matching accessories. Her costume was accented by the orchid from her bridal bouquet.

The bride is a graduate of Alton High School and the groom is a graduate of Palatine High School. Both are graduates of Carthage College, Carthage. Following their return from a wedding trip to St. Louis, Mo., the new couple are residing at 400 N. Fourth St., Oregon.

MRS. CHARLES CARLSON

Miss Johnson Is Shower Honoree

FRANKLIN GROVE — Miss Edie Johnson, Sept. 22 bride-elect of Mr. Larry Cater, Lee Center, was recently honored at a bridal shower held in the home of Mrs. Don Roop, Franklin Grove.

Mrs. Gary Greenwood was co-hostess for the party which featured a mock wedding cake centerpiece on the gift table. Figures of a bride and groom topped the "cake" and ribbon streamers fell to the table.

Gift cards were read from Mrs. Ned Cater, Mrs. Florence Cater, Lee Center, and Mrs. Carl Johnson, Mrs. Alton Fleener, Mrs. Albert Gross and Diane, Mrs. James Willard and Janie, Miss Cynthia Ploutz, Miss Joyce Dunseth, Miss Laura Lohse and Miss Pat Patch.

Miss Propst Is Bride of Mr. Varvel

ROCHELLE—Miss Sandra A. Propst, daughter of Mr. and Mrs. Paul Propst, Rochelle, and Mark L. Varvel, son of Mr. and Mrs. Paul E. Varvel, Rochelle, pledged their wedding vows in a 2 p.m. double ring ceremony Sept. 1 in the Rochelle Methodist Church. The Rev. Harold E. Olson, pastor of the church, performed the ceremony and nuptial organ music was played by Merlin Radditz, DeKalb.

Given in marriage by her father, the bride wore a floor length silk organza gown, featuring long Juliet sleeves and a modified basque waistline. Re-embroidered Venetian lace appliques, centered with crystal French knots, lined the sweetheart neckline and a bowed, carriage back skirt, with scattered lace appliques, fell to a full chapel train. A crown of pearls and crystals held her fingertip silk illusion veil and she carried a cascade bouquet of gardenias accented with coral ribbons.

Maid of honor Miss Shirley Ackland, Rochelle, was attired in a street length gown of tangelo sata peau over taffeta, with a scooped neckline and elbow length sleeves. A back bustle bow accented the controlled fullness of her skirt. She wore an open pillbox hat of matching tangelo sata peau with a silk illusion veil. Coral carnations and feathered white mums made up her wedding bouquet.

In costumes identical to that of the maid of honor, in island green color, Miss Judy Campbell, Rochelle, and Miss Sandra Waters, Steward, were bridesmaids and Miss Linda Propst and Miss Paula Propst, sisters of the bride, were junior bridesmaids.

David Allen, Rochelle, attended the groom as best man. Groomsmen were Clark Gustafson, Esmond, Bill Jackson, Rochelle, and the groom's brothers, Tommy and Bobby Varvel, Rochelle. Ushers were Mike Varvel, Moline, and Gene Reed, Rochelle.

A peacock blue chiffon over taffeta sheath frock was selected by Mrs. Propst for the wedding. She wore matching accessories and a corsage of white gardenias. The groom's mother wore a putty-colored ribbon lace sheath dress with green accessories and a cymbidium orchid corsage.

The Reception White gladioli and mums, accented by coral carnations and greenery, decorated the church for the ceremony and similar arrangements trimmed the church parlors for the reception which followed. Mrs. Merle Ackland, Rochelle, Miss Janet Ackland, Miss Mary Hall, Miss Barbara Wickness, Mrs. Kenneth Giese and Miss Betty Dunlap, all of Rochelle, assisted in serving refreshments to reception guests. Miss

MR. AND MRS. MARK L. VARVEL

Lea Moore and Mrs. James C. Pierce, Rochelle, were in charge of gifts.

The bride donned a blue and green striped sheath for her wedding trip. She wore black and white accessories and a Rubrum lily corsage accented her costume. She is a graduate of Rochelle Township High School and is a senior at Northern Illinois University, DeKalb, where she is majoring in nursing education.

The groom graduated from Senior High School, Dubuque, Iowa, and attended Loras College, Dubuque. He is employed at Swift and Company, Rochelle. The new couple will make their home at 628½ N. Main St., Rochelle.

Out of town guests attended the wedding from Aurora, Chicago, Naperville, DeKalb, Lindenwood, Esmond, Monroe Center, Steward, Moline, Dixon, Ashton, Wautoma, Wis., and Dubuque, Iowa.

Bungling Begins at Home

Worried about how the big boys are conducting the nation's and the world's affairs? Well, let's have a little look at how things are going down in the Department of Small Affairs.

A friend who was going on vacation made the usual arrangements about stopping his newspapers and having his mail shifted to the holiday spot.

One newspaper was cut off two days before the date he requested. The other was continued for two or three days after he left town.

When he got to his vacation hideout, he found that his first-class mail was being forwarded as he had asked. But so were his magazines, which he had asked the post office to hold until his return.

They, of course, all arrived "postage due." If he declined to pay the charge, they were simply tossed away, not sent back where they should have been held in the first place.

Then the man's wife had to go home early. She quickly requested resumption there of first-class deliveries. For the next 10 days, half such mail came to their home and the rest to the vacation place.

Now there is this other matter. A business outfit which is moving its quarters from one building to another was started one Monday morning to discover its telephone service had been prematurely cut off.

For four hours the firm was severed from the outside world. But the telephone company mustered its resources and was equal to the occasion. One of its eager agents stepped into the breach:

"I'll report your trouble. Can you be reached by phone, sir?"

Should you imagine these are isolated samples, ask around. And, by the way, have you tried to change address on any of your magazine subscriptions lately? That'll keep you busy for a couple of months. So, now, what's all this about the big fellows bungling the Cold War?

YOUR SHRINKING MONEY

Inflation, they say, is on the way out. But don't send flowers just yet. Inflation has cost you about 33 cents on the buck during the past 10 years.

To be exact, the National Industrial Conference Board reports that between 1952 and 1962 Americans' disposable income — the money in your pocket after taxes are paid — jumped by \$146 billion, from \$239 billion to \$385 billion.

But inflation ate away nearly one-third of the increase—\$46 billion.

Things Dixon
Talked About(From the files of
the Dixon Evening Telegraph)

10 YEARS AGO

Miss Nancy Long, daughter of Mr. and Mrs. Stephen Long, has recently returned from Chicago where she attended the Sodality Summer School of Catholic Action held at the Morrison hotel. Miss Long served as a representative from Mt. St. Clare college, Clinton, Iowa, where she is a sodality officer.

When the M.S.T.'s transport James O'Hara sailed from the Far East recently, one of its crew members, Harold O. Peterson, son of Mr. and Mrs. Fred Peterson, happened to meet another Dixon boy, Cpl. Wallace M. Deets.

Among the Mt. Morris youths leaving soon for college will be Bill Root and Glenn Wright who are entering DeKalb as freshmen this year.

25 YEARS AGO

An illustrated talk on dental hygiene by Dr. Grover Moss and a travelogue on Hawaii by Mrs. Elizabeth Chapman of St. Paul, Minn., provided an interesting and instructive program for members of the Riverside Parent Teacher association. Mrs. Clifford Floto who was in charge of the program introduced the speakers.

Mrs. Elwood Ortgiesen was entertaining at a fried chicken supper last evening at her home south of Dixon for 18 members of the Merry Maids club. After supper tables were made up for 500, with prizes going to Miss Mae Thoren and Mrs. George Althouse.

More than 50 friends and relatives met at the home of Mr. and Mrs. Arthur Levan on the River Road, Sunday, to assist the couple celebrate their silver wedding anniversary. A picnic dinner was served on the lawn at noon. The group's gift to their host and hostess was a set of silverware.

40 YEARS AGO

Dr. and Mrs. E. A. Sickels, Miss Rosanna Dement and Wilson Dysart leave tomorrow morning on a motor trip through Wisconsin and Minnesota, playing golf at various country clubs along the way, and spending a few days at Jasheba Lodge. Dr. Sickels hunting lodge on the Bowstring river in Itasca County, Minn. They expect to be gone about two weeks.

Last evening, Miss Rachel Eastman entertained with a dinner, yesterday being her sixteenth birthday. The table was adorned with roses and after the dinner each guest was presented with a rose souvenir. An elaborate dinner was served and the young guests left Miss Eastman many tokens of friendship with their good wishes. The guests were Misses Helen Cahill, Nora Clark, Helen Joyce and Goldie Pontius.

Miss Dorcas Sternberg, cashier in the office at the state penitentiary at Joliet, was the guest of the first of last week of her friend, Mrs. Carl Tyler on North Dixon.

The Doctor
SaysBy WAYNE G. BRANDSTADT, M.D.
Newspaper Enterprise Assn.

Q—How long would I be justified in using an ointment in the treatment of psoriasis? I have used a recommended skin cream for two months and have noticed no improvement.

A—Your experience is not unusual. Although a great number of creams have been used to treat this disease, the response to them is uncertain at best. The fact that there are nearly 50 different creams for psoriasis in the market is proof that none of them are sure cures. If you don't notice any improvement after using an ointment for three or four weeks, you had better let your doctor prescribe another preparation.

Q—My doctor has me taking Librium and Elavil. What are they for? Can they do me any harm?

Your doctor is giving you these drugs for nervous tension. Chlordiazepoxide (Librium) in the dose usually given should not cause any side effects, but it should not be discontinued suddenly. When you no longer need this drug, you should gradually reduce the number of pills taken daily.

You should have your ocular tension checked twice a year while you are taking amitriptyline (Elavil), because in persons with a tendency to develop glaucoma it will aggravate this serious condition. You should also report any marked diminution in the quantity of your urine to your doctor. In most persons, however, the small doses needed to control nervous tension are harmless.

Q—My doctor says I have proctitis. What causes it and how can it be cured? Will it eventually become malignant?

A—Proctitis is a rectal inflammation. If your proctitis is acute, it may be part of an ulcerative colitis, but in this case your doctor would have said so. It sometimes does become malignant.

Other causes of proctitis are chronic mucous colitis, frequent use of laxatives, and any other cause of chronic diarrhea.

With these conditions, there is little need for you to worry about cancer. When your doctor has determined the cause, he will prescribe appropriate treatment, but a cure is not always easy to achieve.

Q—Is it safe to take Hydrioduril tablet continually to keep my weight down? Are there bad effects?

A—The drug you are taking (hydrochlorothiazide) belongs to the group popularly called "water pills." They allow water to be eliminated from the tissues in persons who have waterlogging due to liver disease or chronic incapacity of the heart. If your doctor is giving it to you to help your heart or your liver you can take it indefinitely.

Be sure to check with him from time to time to make sure you are on the proper dose and that you are not losing too much salt along with the water.

When taken under strict medical supervision there are no bad effects. The drug has a very limited use in reducing weight in persons who do not have heart or liver disease.

Please send your questions and comments to Dr. Wayne G. Brandstadt, M.D., in care of this paper. While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

Raising money for clubs and pet projects the hard way seems to be an incurable habit of women.

Not long ago I mentioned in a column a book that offers clubwomen hundreds of money-making schemes. I mentioned it only to point out that women wouldn't have to spend time and energy—and no more in money—if they would give a dollar or two to a cause outright instead of planning bake sales, silver teas, bazaars, and the like to raise the money for organizations and charities.

What kind of response did the column bring? Well, it didn't bring any letters from women saying they agreed wholeheartedly with the idea of contributing cash instead of time, effort, and cash, when their organizations need to raise money.

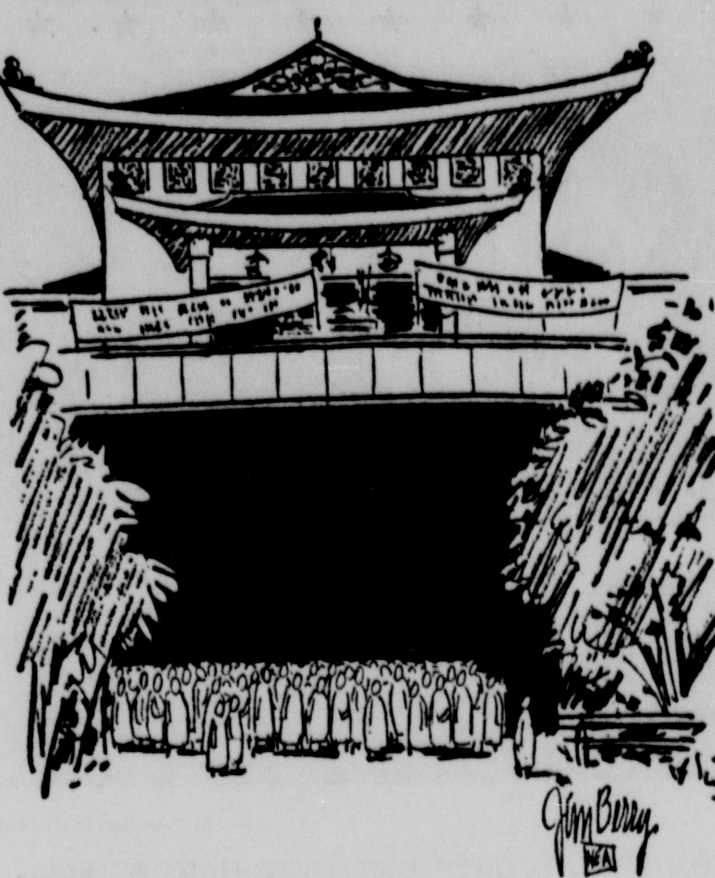

Instead frantic letters came from clubwomen wanting to know where they could buy the book with all the money-raising ideas.

So the bake sales are going to continue.

The bazaars are going to flourish. Women are going to keep right on running themselves ragged and paying baby sitters to look after their children, while they meet and work and plan to buy each other's bakery and craft items—instead of each one's kicking in a little cash to the kitty.

Obviously, women like it that way and aren't looking for any easy, sim-

BERRY'S WORLD

"OK, fellas, is everyone wearing his 'Lodge-for-President' button?"

Dear Ann:

By ANN LANDERS

Dear Ann Landers: The letter signed "Unsolved Mystery" could have been written by me many years ago.

My husband and I both came from cruel and punishing families. Like "Unsolved" we, too, were unable to understand why relatives would want to dominate the lives of those around them. Both my husband and I were on the brink of cracking up.

A doctor told us the only solution was to move as far from our relatives as possible. So we did.

We bought a big, old house and I got a license for foster child care. We asked for the difficult and challenging children—the rejected ones who needed our love most. It was the ideal solution. Now there is no time to concern ourselves with what his crazy family—or mine—will do next. All our discussions are about the children. Our lives are free of anxiety and nightmarish family fights.

You gave the right answer to "Unsolved." Ann, but I'd like to make it even stronger. Don't allow yourself to be pulled into someone else's hell. And don't try to educate a nut, because all you have when you are through is an educated nut. If people make you miserable, get away from them and fill your life with useful, constructive things.

—UNCHAINED AT LAST
Dear Ann Landers: I'd like to say a word or two to Vincent's mother, Mrs. B. B., who rushed to the summer camp and hauled her son out after three days when he phoned and whimpered, "Come and get me, Ma."

I spent 24 years in the Armed Forces and retired last year as a captain. According to my figures, little Vincent is now 13 years old. In about seven years he will be called into the armed services, and if he hasn't learned something about taking orders by then he's going to have a mighty rough time of it. Once he's in the service he won't be able to telephone home and say, "Come and get me, Ma."

Mothers who believe they are raising "Free Thinkers" when they shield their children against "order-taking" are not helping their children to be strong and independent. They are making cripples out of the kids. As you said, Ann, "Nobody can live in this world and do as he darned well pleases."

I hope you will print this letter for the kid's sake. Thanks.
—C.A.—U.S.A.R.

Have moral standards sunk to such a level that this is now considered acceptable? Please publish my letter and help mothers to start thinking

ple, practical solution to the "How to raise money?" question.

If the solution is as simple as each member's handing over a dollar or two, if just doesn't appeal to women as a legitimate way of getting something into the treasury.

Today in History

By The Associated Press
Today is Tuesday, Sept. 10, the 253rd day of 1963. There are 112 days left in the year.

Today's highlight in history:

On this date in 1813, Commodore Oliver Hazard Perry, leading a fleet of 10 ships he had built and assembled, engaged British ships on Lake Erie at sunrise. By mid-afternoon the British surrendered and Perry wrote his report: "We have met the enemy, and they are ours."

On this date
In 1608, John Smith was elected governor of the Jamestown Colony, in Virginia.

In 1846, Elias Howe received a patent for his invention of the sewing machine.

In 1939, Canada formally declared war on Germany.

In 1940, Nazi planes damaged Buckingham Palace.

Ten years ago . . . U.N. forces in Korea started moving more than 14,000 Chinese and close to 8,000 North Koreans to camps in the neutral truce zone following their refusal of repatriation.

Five years ago . . . It was announced at Geneva that the Atomic-for-Peace Conference, held the freest exchange of nuclear ideas between the East and West that had ever occurred.

One year ago . . . Supreme Court Justice Hugh Black nullified a series of stays ordered by a lower court and ruled that the University of Mississippi must admit Negro James Meredith.

Honor Three
Members

AMBOY — The Aurelia Rebekah Lodge honored three members at a special program held in conjunction with the regular meeting in the IOOF Hall Friday evening with Mrs. Addie Appelman, noble grand, presiding.

Following the routine business, Mrs. B. A. Schnahl invited Mrs. Fred Nicholson Sr., Mrs. Grant Sausman, and Everett Barnes to places of honor in the front of the lodge room and presented each with a 50-year jewel from the lodge in recognition of their continuous membership in the lodge.

Mrs. Nicholson, who now resides at Fergus, Minn., spoke briefly stating that the lodge was organized in March, 1913, and that she was one of the 51 charter members. Mrs. Sausman and Barnes became members in July of the same year. They also

spoke and thanked the lodge for their remembrances.

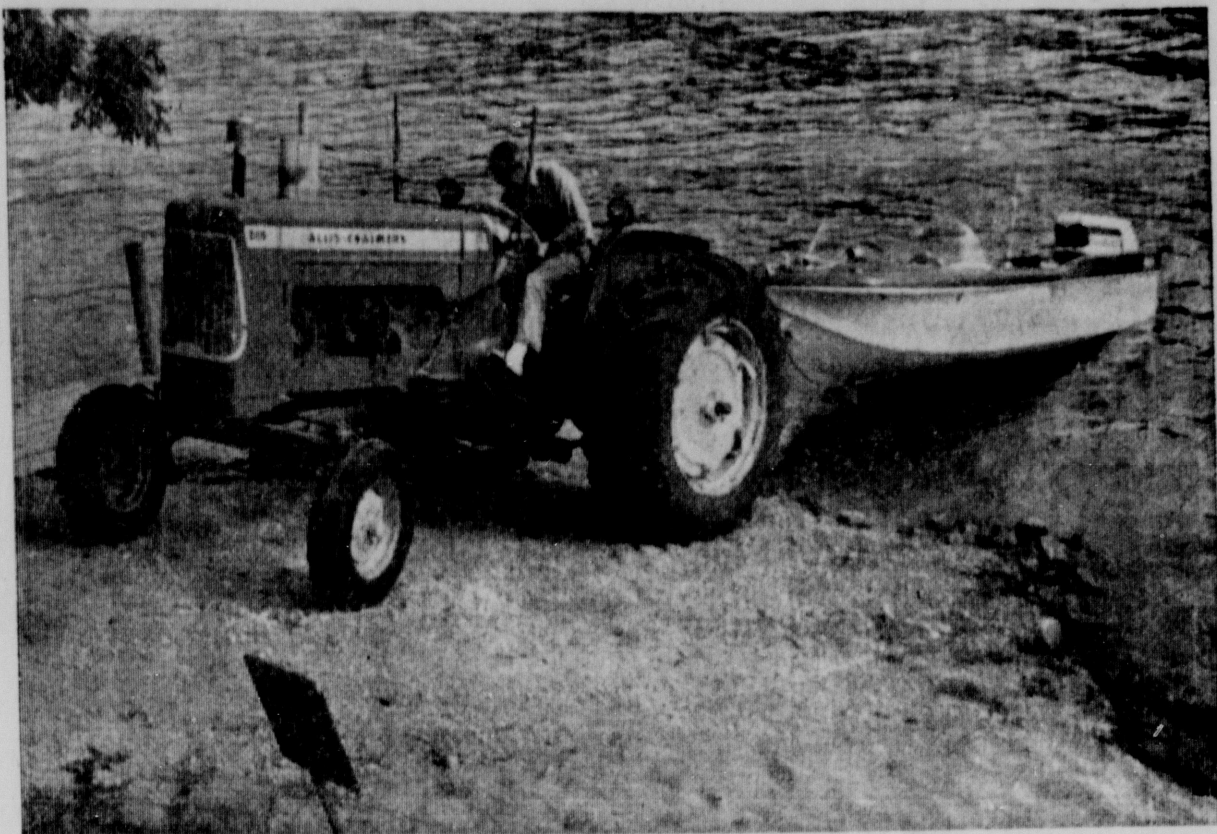

Mrs. Glen Winans introduced Miss Cathy Lives who did a pantomime reading to a recording of "Frankie and Johnnie." Miss Kathy Noble did two tap dance routines. The honored guests were serenaded by the group who sang songs popular 50 years ago, with Mrs. Winans playing the piano and Mrs. Barnes and Mrs. Inez Forman leading.

Refreshments were served from a table arranged with candles and flowers in the gold and white color theme.

Oregonians On-the-Go

OREGON — The Rev. and Mrs. James Watkins, West Lebanon, Ind., spent Friday and Saturday with her mother, Mrs. G. K. Kinn. They brought their son, Danny, to enter classes Monday morning at the Oregon Bible College where he has enrolled for the school year.

George Palaska, Kansas City, Mo., spent several days last week with his sister and family, the James Whismans.

Mr. and Mrs. Cleo Southard were guests of their son and daughter-in-law, Mr. and Mrs. Harold Southard, Rockford, on Thursday. While there they visited their first great-grandchild, Randall Scott, born Aug. 25 in Rockford Memorial Hospital, son of Mr. and Mrs. Robert Southard, Rockford.

Mr. and Mrs. Lewis Schneider were Thursday evening guests of Mr. and Mrs. Emerson Mays, Sterling, when they entertained their pinocle club.

Mr. and Mrs. Perley Jones, Belvidere, were Wednesday evening dinner guests of his parents, Mr. and Mrs. Levitt Jones.

Bradley Southard and Mark Grace, Rock Falls, spent the weekend with their grandparents, Mr. and Mrs. Cleo Southard.

Mr. and Mrs. Earl Wilmarth, Mr. and Mrs. Harlan McNett, and Mr. and Mrs. Michael McNett attended the birthday party and open house for Carl Sverkersen, Crystal Lake, a former Oregon area resident.

Ballet Student Dies of Rabies

ROME — A British ballet student died early today in a Rome hospital of rabies from a dog bite in the face.

Diana Celia Hall, 12, of Bradford, was bitten at the ballet academy of the Roma Opera Theater on Aug. 23 by a black police dog known to all students at the school.

The dog was found to be rabid and was destroyed. Diana was given anti-rabies injections. Doctors said the treatment often is ineffective when someone has been bitten in the upper areas of the body, from where the rabies virus can travel more quickly to the central nervous system.

Today in Washington

WASHINGTON — In the news from Washington:

CIVIL RIGHTS: Atty. Gen. Robert F. Kennedy believes the administration's civil rights stand may hurt his brother's chances for reelection to the presidency in 1964. But, he added, "I don't think that means that this administration deserves any great medal for being very brave for going in and doing what they are doing."

"I think we have to do it. I don't think there is any choice and I think this is what is required in this country at the present time. I think in years to come it will be supported."

However, the attorney general said in a television interview (NBC, JFK Report) that he doesn't consider the administration civil rights legislative package to be a cure-all.

CUBA VISITORS: A House Judiciary subcommittee has asked Atty. Gen. Robert F. Kennedy to seek indictments against American students who traveled to Cuba to be a willful, deliberate and organized violation of the law.

Subcommittee chairman Michael A. Feighan, D-Ohio, made the formal request that the Justice Department put the case before the grand jury "with a view to obtaining indictments against those involved."

Fifty U.S. students who went to Cuba returned to New York Aug. 28.

Amboy Board of Education Hikes Admission Prices

AMBOY—The Board of Education of Community Unit School District 272 voted to raise the admission price for all athletic events and hired a new teacher at the regular meeting held in the high school Monday evening.

To keep the price of admission to games here in line with the other schools in the Illwaco Conference, the following prices were set up: adults, \$1; high school students, 50 cents; and elementary students, 40 cents.

Mrs. Nellie McKinney, Dixon, was hired to teach the additional students from the third grade class at Central School. This is the only class of third grade and is taught by Mrs. James Morrissey. There are 38 students in the class, about 10 more than had been anticipated and this extra group will be taught by Mrs. McKinney on a substitute basis.

The board also voted to run a late bus route for the benefit of football players. There will be only one bus operated and it will make a complete circuit of the district stopping only at designated stations in the area where parents will be required to pick up their children. This service will be offered only as long as it is used.

Elementary supervisor Robert Reinboth reported that a first aid course will be started soon for the benefit of bus drivers. He said that

the course will be open to other area bus drivers and firemen if they want to attend.

Irate Soviet Authorities Boot Train Crew

MOSCOW — Irate Soviet authorities have booted out the crew and Chinese passengers of the Peking-Moscow Express, charging they tried to sneak in anti-Soviet propaganda and staged a sitdown strike when the literature was seized.

The incident, which marked the Soviet Union's second charge of propaganda smuggling against the Red Chinese, occurred over the weekend at Naushki on the Soviet-Mongolian border about 2,700 miles east of Moscow.

The Soviet Foreign Ministry in a note handed to the Red Chinese Embassy accused the Chinese of trying to prevent Soviet officials from inspecting the train when it crossed the border Saturday.

The note said the Chinese locked the customs men in the train after the officials had seized literature "of a character hostile to the Soviet Union."

Illinois Shorts

CHICAGO — An Illinois man and his wife are suing Drewrys Ltd. Inc. of South Bend for \$100,000 damages, stating three bottles of beer exploded and injured the woman in 1962.

The suit was filed in U.S. District Court Monday by Timothy Roberts and his wife, Evelyn, 35, of Worth. The suit named as co-defendant the manufacturer of the bottles, Owens Illinois Glass Co. of Toledo, Ohio.

CHICAGO — A Family Court judge has placed on indefinite probation a suburban Calumet City teenager who shot and killed a buddy during a mock execution.

Judge Harry L. Pate Monday told 15-year-old Jack Baggett: "I feel that you did not intentionally shoot your companion. However, you are guilty of reckless tampering with the life of another."

The probation, to continue until another order from the court terminates it, carried a provision that Baggett attend a military school.

CHICAGO — Three men accused of burglarizing a bank in Gifford, Ill., have been ordered to stand trial Sept. 18 in U.S. District Court.

The trial date was set Monday by Judge Bernard M. Decker. The men have been under indictment since late in 1961.

Charged with conspiracy to steal and possession of stolen U.S. savings bonds are Anthony De Paolo, 29, of

Chicago; Salvatore J. Farina, 28, and Andrew N. Snyder, 35, both of suburban Melrose Park.

CHICAGO — Arthur Lawrence Stickell, central figure in various financial-legal entanglements, was held Monday night in federal custody under \$10,000 surety bonds.

The former Galesburg attorney was jailed in the federal tier of Cook County Jail after a brief hearing late Monday before U.S. Commissioner C. S. Bentley Pike.

The commissioner told him he must post bond or remain in jail until documents on a criminal complaint against him in Denver can be examined at another hearing Thursday afternoon.

SPRINGFIELD, Ill. — A Circuit Court jury has taken the first step in disposition of charges against a woman accused of murdering her Air Force husband with a hammer.

Mrs. Beverly Kuemper, 30, was found sane, and thereby able to stand trial, Monday. A Sangamon County jury ruled on a petition for her release from the Kankakee State Hospital.

12TH VICTORY IN 13 GAMES

Redbirds Slice Lead to Three Simmons Gets 30th Shutout

By The Associated Press

Curt Simmons, admittedly working on his "second career," has reached another lofty plateau while moving the challenging St. Louis Cardinals to within three games of the National League leading Los Angeles Dodgers.

The 34-year-old left-hander posted the 30th shutout of his career Monday night, stopping the Chicago Cubs 6-0 on five hits as the streaking Cardinals kept the pressure on the Dodgers by rolling to their 12th victory in 13 games.

The Cardinals haven't been this close to the front-runners since July 4. The Dodgers, who were not scheduled Monday night, have 19 games remaining to the Cardinals' 17, including a three-game series between the two teams at St. Louis starting next Monday.

While Simmons took care of the pitching, Bill White took care of the punch for the Cardinals, becoming the third National Leaguer this season to reach the 100-RBI level by driving in three runs with a double and two singles.

Tonight, the Cardinals will again play the Cubs, sending Bob Gibson, 26-8, to the mound, against Chicago's Glen Hobbie, 7-9. The Dodgers will start Sandy Koufax, 22-5, at Pittsburgh against Don Cardwell, 13-13. In the only other NL games scheduled Monday, third-place Milwaukee swept a doubleheader from Cincinnati 9-2 and 7-4, and the New York Mets defeated Philadelphia 6-3.

Simmons, registering his second straight shutout and his fifth of the season, got into his only jam in the sixth inning when he was touched for a double and an infield hit with two out. Simmons then bore down and got Ron Santo to pop up.

Rookie Bob Sadowski won his fourth straight game for the Braves in the opener, limiting the Reds to six hits and bringing his record to 5-5. Eddie Mathews drove in three runs with a pair of singles while Gordy Coleman accounted for the Cincinnati runs with two homers.

In the nightcap, Hank Aaron tagged his 39th homer, with a man aboard in the seventh inning, to clinch it and extend Milwaukee's winning streak to seven games. Bob Hendley got the victory.

Consecutive first inning homers by Ron Hunt and Jim Hickman started the Mets off and Roger Craig managed to hold off the Phillies the rest of the way on seven hits. Craig is now 5-20. Don Hoak hit a homer for Philadelphia.

Outfielder Jimmie Hall is making a drive for American League rookie honors with his bat. So is pitcher Gary Peters of the Chicago White Sox.

Hall bashed his 30th and 31st home runs for the Minnesota Twins Monday night in a 7-4 victory over Cleveland, tying the league homer record for rookies set by Ted Williams in 1939.

Peters won his 18th game and the 12th in his last 13 games 9-4 over the Baltimore Orioles. He rapped two hits, a single and a double, for his 18th and 19th hits of the year. Both drove in runs.

In other AL action, the New

York Yankees blew a 6-0 lead as their pennant clinching drive stalled in a 7-6 loss to Kansas City.

The Detroit Tigers swept a doubleheader from the Washington Senators, 1-0 and 10-7, and the Boston Red Sox trimmed the Los Angeles Angels 5-2.

Hall's two homers ran his batting average to .266—not bad in a league where .284 gets you into the top ten—and his RBI total to 72. Ahead is the major league rookie homer mark of 38, by Wally Berger and Frank Robinson.

Peters has three home runs, a triple and four doubles in his 19 hits, and has 12 RBIs. He is hitting .250.

That is much higher than his earned run average which is 1.95, the best in the major leagues for starting pitchers. Peters has 12 com-

plete games and leads the American League in strikeouts with 179. His immediate target is 20 victories. The last rookie to reach that total was Bob Grim of the Yankees in 1954.

Jim Bouton of the Yankees was shooting for his 20th against the Athletics and had things well under control going into the seventh. After he gave up a hit and a walk, Steve Hamilton relieved. His contribution was three walks and a two-run single.

That made it 6-3 and brought on Hal Reniff. Reniff walked another run home, a fifth scored on a double play and Charley Lau singled home the tying run. In the eighth, Bobby DeGrecio singled, went to third when Reniff threw wild on a pickoff attempt and scored on Jerry Lumpe's bunt.

Detroit got its only run in the opener off Claude Osteen on a Washington error. Jim Bunning went eight scoreless innings and Terry Fox saved the shutout when Bunning left in the ninth inning with a pulled leg muscle.

Fox also put down a Senator rally in the second game, Senators' rookie Bob Baird didn't survive the first inning.

The Red Sox came from behind with four in the ninth to give Earl Wilson his 10th victory. Lu Clinton tripled the tying run home and scored on a pinch single by Dick Williams.

Midwest Football Briefs

CHICAGO (U) — Midwest football briefs:

WISCONSIN — First string guard Dion Kempthorne has decided to give up football because of a series of injuries. The decision by the two-time letterwinner is a serious blow for the Badgers.

NORTHWESTERN — Aliments have cost Northwestern more players for the entire season. Senior halfback Jerry Daugherty is out because of a fractured kneebone and sophomore halfback Ron Gerouard quit the squad because of recurring headaches.

ILLINOIS — Dave Mueller has been moved up to the No. 1 left end to replace Bill Pasko, who will be out for a week with a hip injury. Returning to action after minor injuries were ends Gregg Schumacher and Mike Summers.

INDIANA — Sophomore quarterback Dave Mayoras is making a strong bid for the safety job. Mayoras intercepted one pass, knocked down another and made 20 tackles in Saturday's scrimmage. The Hoosiers worked on their timing.

MICHIGAN — Coach Bump Elliott

expressed disappointment over Saturday's scrimmage. "We made more mistakes than we should have and we were disappointed the No. 1 team didn't do better offensively," he said.

NOTRE DAME — The Irish suddenly find themselves without experienced tackles. Dave Huminiak has a knee injury which might require surgery. Gene Penman has a knee injury and might miss the entire season and Nick Etten has a fractured toe.

PURDUE — Injuries picked up in Saturday's scrimmage have sidelined center Ed Flanagan and halfback Ron Kubecka. Flanagan has a wrenched knee and Kubecka, a sprained ankle.

MICHIGAN STATE — Coach Duffy Daugherty withheld fullback Dewey Lincoln and halfback Ron Rubick from scrimmage because, he said, he didn't want them suffering re-injuries of old leg injuries. Lou Bobich practiced punts, extra points and field goals with excellent results.

MINNESOTA — Sophomore fullback Gale Gillingham, a promising youngster, quit the team saying he didn't want to play anymore. Coach Murray Warmath said Gillingham never liked football and played only because his father wanted him to.

IOWA — Sophomore halfback Jim Wagner, elevated to the third team, suffered a broken leg in practice Monday and will be out for the season. Coach Jerry Burns did away with his fourth team and reorganized the Hawkeyes into three units.

OHIO STATE — The Buckeyes ran through two practice sessions in extreme heat. Coach Woody Hayes said senior halfback Paul Warfield will have an outstanding season because "he's a fine receiver and we are throwing the ball more."

New Coach Guides Clippers This Season

AMBOY (Special)—New faces will dominate the football scene at Amboy High School this fall. There is a complete new coaching staff and many new players. The Amboy squad lost many letter men through graduation last spring and inexperienced players will be called upon to replace them.

Coach J. F. Day, who is in his first season here will be seeking to whip the new recruits into shape for the opening skirmish with Atkinson here on Sept. 13.

Of the 24 man varsity squad only seven are lettermen. The line will be small averaging only 175 pounds and the backfield will be manned by four juniors.

In commenting on the team Coach Day said that he expects much from Dick Latta, senior tackle and co-captain of the team. "He works hard and has the desire to win."

Dan Welty, a junior, is the only letterman in the backfield and is

the fastest man on the squad. He will be playing at the quarterback slot and will also be called on to handle the punting chore.

The new mentor said that "although the team is hurting from lack of experience and size, every boy has the desire to win."

"Barring unforeseen events they have what it takes to put Amboy substantially in the win column this year," he added.

Day attended LaSalle-Peru High School and LPO Junior College. He is a graduate of Northern Illinois University and formerly taught at Hinkley-Big Rock High School.

He is being assisted with the coaching of the varsity football squad by Richard Bumba and James Braidia. Larry Otis is the frosh-soph squad coach and he is assisted by John Anderson.

The Amboy Clippers will compete in the Illowa Conference along with Riverdale, Sterling Newman, DeWitt, St. Mary's, Fulton, Savanna and Morrison.

The opening game with Atkinson is the only non-league game on the Clipper card this season.

Amboy High School varsity football squad roster includes:

Senior lettermen—Jerry Trickett and John Lusz, guards; Jim Kreiser, end; and Don Reubin, halfback.

Junior letterman—Chuck Rhodenbaugh, tackle.

Other members of the squad are juniors—Pat Lafferty, John Reubin, Frank Hiatt, Jerome Gehrt, Terry Halsey, Joe Hoyle, Ralph Eisenberg, Don Fore, Rick Bernotas, Mike O'Brien, Gary Sherrard, Gene Gascoigne and Jim Rose.

Giants Have Three Brothers On 1963 Squad

NEW YORK (U) — It may not help their place in the standings, but the San Francisco Giants are on the verge of setting a major league record—most brothers in one lineup.

The mark could come in tonight's opener of a three-game series against the New York Mets, or in any of the other 17 games this year.

For tonight, Jesus Alou joins and Matty Alou rejoins brother Felipe on the Giants' roster.

No major league team has ever had three brothers in its lineup—much less in its outfield, as could be the case with the Alous.

Eleven other groups of three or more brothers have played in the majors but always with more than one team. Five Delahanty brothers made the grade but probably the best known is the DiMaggio clan, team.

Many brother combinations—Dizzy and Paul Dean, Walker and Mort Cooper, Paul and Lloyd Waner, for examples—have played for one team.

One Unbeaten Team Left in Amateur Tourney

BATTLE CREEK, Mich. (U)—East

Chicago, Ind., edged Wyandotte, Mich., 5-4 Monday night and became the only unbeaten survivor after three rounds of the American Amateur Baseball Congress Great Lakes regional tournament.

Riverton, Ill., and Lakewood, Ohio, were eliminated in earlier third-round contests Monday, the Illinois team bowing to Glendale, Ohio, 7-4, and the Ohioans losing to Louisville, Ky., 4-3.

East Chicago picked up its third straight victory in the double-elimination tournament with a five-run rally in the sixth inning. The big blows were first baseman Bud Heimberg's two-run double and center fielder Manny Muniz' two-run single.

Central again has Dick Moffitt in its backfield. Also returning to round out the backfield will be Bill Shuple, George Wolfe and Larry Moore. Moffitt, however, is the running and passing star.

Northern will be led by the great passing arm of George Bork who topped the nation in passing last season. While setting numerous national collegiate passing records,

Carthage will take a 14-game winning streak into the new season and meets Plattville in its opener Saturday. The Redmen have a nucleus of 20 returning lettermen but will be without the services of fullback Erv Ilson, who scored five touchdowns in one game last fall.

Carroll College and Augustana will offer Carthage a strong challenge in the race for the championship. Both teams finished high in the standings last year mainly on the strength of sophomores and juniors who will return with added experience.

Illinois Wesleyan, Millikin, North Central and North Park are in various rebuilding stages and don't appear strong enough to vie for the title. Lake Forest is no longer a member of the conference.

Carroll will open its season at Northland Saturday with the other teams getting into action Sept. 21. The conference race begins Sept. 28.

The IAC is gearing for what should be a classic race with Central Michigan and Northern Illinois again battling for the title. Central Michigan won its last six games in 1962 and defeated Northern Illinois 35-27 for the title.

Three Given Permission To Print World Series Ducats

Free Bus Service To Hall Game Friday Planned

Adult and family groups transportation to the Dixon-Hall Township of Spring Valley football game this Friday has been arranged through the YMCA Booster Club.

Arnold Butterbaugh has donated the services of a coach type bus for persons wishing to attend the game. There will be no charge for the trip and donations will be taken.

The bus will leave the Dixon High School parking lot for the game at 5:30 p.m. Only adults and family groups will be allowed to make the trip.

CHICAGO (U) — Commissioner Ford Frick completed plans for the 1963 World Series Monday and to nobody's surprise gave permission only to the New York Yankees, Los Angeles Dodgers and St. Louis Cardinals to print tickets.

Frick scheduled the series to open in the American League city Oct. 2 and the second game there Oct. 3 with Oct. 4 an open date and the third, fourth and fifth game, if necessary, to be played in the National League city Oct. 5-7.

If the best-of-7 series is not concluded by then, Oct. 8 would be an open date with the sixth and seventh games scheduled for the American League city Oct. 9-10.

Because of the close race involving the Dodgers and Cardinals in the National League, president Warren Giles announced that in case of a tie a best-of-3 playoff would begin Monday, Sept. 30 and continue without a break.

Giles said a flip of the coin would give the winning team the option of playing the first game at home and the last two, if necessary, on the road or the first game on the road and the last two at home.

Frick said all the World Series games, to be televised by the National Broadcasting Company, would begin at 1 p.m. local time except if San Francisco should win the National League pennant in which games played in Candlestick Park would begin at noon.

Ticket prices for the series will be \$12 for a box seat, \$8 for reserve grandstands, \$4 for unserved grandstands and standing room and \$2 for bleacher seats.

MINOR LEAGUE RESULTS
INTERNATIONAL LEAGUE FINAL
Indianapolis 10, Atlanta 4 (Indianapolis leads best-of-7 series 1-0)
SOUTH ATLANTIC LEAGUE FINAL
Augusta 5, Lynchburg 3, 11 innings (Augusta leads best-of-5 series 1-0)

Rambling Rookie Finally Finds Place To Play Ball

NEW YORK (U) — Nat Craddock, a rookie pro football hopeful from Parsons College in Iowa, spent last week on the roster of five teams in three leagues and two countries.

Then he landed with the New York Jets of the American Football League while he was sitting on the bench of the rival Boston club.

If the whole thing seems confusing here's the full log:

Craddock started the week with the New York Giants of the National Football League. He scored two touchdowns in the exhibition season—the only Giant to do so. So he was cut.

The Giants ordered him to Ottawa in the Canadian League but he never reached Ottawa. The Montreal Alouettes claimed they had Canadian League rights to Craddock.

While the two clubs argued, Craddock took his first positive step. "I wired Mike Holovak (Boston coach) and told him I wanted to play football," said Craddock.

The Patriots, who had AFL draft rights to Craddock, agreed, since the loss of Ron Burton due to injury had left them short on running backs.

Craddock hardly stayed around long enough to get a pat on the back with the Pats.

OSU Student Opens Defense Of Golf Crown

DES MOINES, Iowa (U) — Labron Harris Jr., 21-year-old graduate student at Oklahoma State University, opened defense of his U.S. Amateur Golf championship Monday by defeating Bill Cowardin, Newport News, Va., 8 and 6.

Harris was two under par for the 12 holes played in the first round of the title chase over the 6,896-yard par 36-36-72 Wakonda Club course.

Upsets knocked out three Walker Cuppers—Dr. Ed Updegraff, of Tucson; Bill Hyndman of Huntington Valley, Pa., and Charlie Smith of Gastonia, N.C.

Of those in action in the 72 first round matches, the prime favorites advancing were 1960 champion Deane Beman of Arlington, erratic Billy Joe Patton of Morganton, N.C.; Dick Sikes of Springdale, Ark.; two-time former champ Charlie Coe of Oklahoma City; former Walker Cup player and captain Bill Campbell of Huntington, W. Va., Georgia's Jimmy Gabrielsen, and Steve Spray, a hometown boy who got to the quarter-finals in 1960 and plays Wakonda like he belongs to it, which he does.

RECEIVES SCHOLARSHIP — Miss Linda Gorski, daughter of Mr. and Mrs. Paul Gorski, rural Dixon, is shown receiving a check for a three-year nursing scholarship from Robert Sweet, Polo, Chef de Gare of the Ogle County 40 and 8. On Wednesday Miss Gorski began her studies at St. Anthony's Hospital School of Nursing, Rockford. Others pictured are (left to right) John Brockwell and Richard Weaver, past Chfs of the Ogle County organization, and Willis Cunningham, who will be installed as the new Chef de Gare at the Polo American Legion Home Sept. 20.

Educational Federation Day Scheduled at Taft

OREGON — Sept. 19 has been announced as "Educational Federation Day" at Northern Illinois University, DeKalb, by Mrs. Richard F. Feeney, Yorkville, State Education Chairman of Illinois Federation of Women's Clubs.

All Federation members are invited to attend the campus workshops planned in cooperation with the university to acquaint members with the school's facilities and expanded program.

It will feature the University's Outdoor Teacher Education Program at the Lorado Taft Field Campus, Oregon, situated on high bluffs overlooking the Rock River.

This program is the first of its kind and has gained considerable attention in education groups all over the country.

Registration begins at 9:30 a.m. with coffee and rolls in the new dining hall on the campus. From 10:15 to 11 a.m. there will be a conducted tour of Taft Campus facilities by members of the Taft Campus staff. From 11 to 11:30 a.m. will be a "Welcome to Taft Campus" classroom with Paul Harrison, director, as leader. "Outdoor Teacher Education at the University Level" will be discussed by Dr. Donald Hammerman, assistant director.

From 11:35 a.m. to noon, Willard Dickerson, a descendant of one of the original residents of the area, will discuss "The Taft Campus Heritage."

A noon luncheon will be served from the new dining room overlooking the river on the Taft Campus. From 1:30 to 2:30 p.m. Dr. Orville Jones, associate professor of Outdoor Education, will talk on "The Public School Program of Outdoor Teacher Education." The film, "Education Moves Outdoors" will be shown.

The meeting will adjourn at 2:30. Reservations may be made with Mrs. R. W. Speer, 236 W. Locust St., DeKalb, by Saturday.

Nelson News

NELSON—The Nelson School this year has a total enrollment of 69 pupils with 24 in the first, second and third grades; 22 in the fourth, fifth, and sixth grades; and 23 in the sixth, seventh and eighth grades.

Teachers include Mrs. Lucille Peacock and Mrs. Ruth Newcomer, Dixon, and Frank Burkett, Rock Falls. Burkett is also the bus driver, and Harry Remrey, Nelson, is the custodian.

Mr. and Mrs. James Frickleton and daughter, Dolores, Sterling, were guests Labor Day of their cousins, Mr. and Mrs. James Miller and family.

Mr. and Mrs. Douglas McNinch and family recently visited her brother-in-law and sister, Mr. and Mrs. Joseph Scantlin, and family, Rock Falls.

Mr. and Mrs. William Carroll entertained her parents, Mr. and Mrs. Lewis Fisher, Bedford, and her brother-in-law and sister, Mr. and Mrs. Larry Nehring, and family, Manlius, recently.

Mr. and Mrs. Loren Jeter visited their son and daughter-in-law, Mr. and Mrs. Harold Jeter, and family, in Villa Park, and attended the art show at Oak Lawn last week.

Mr. and Mrs. Eddie Gale and daughter, Renee, Rock Falls, spent Labor Day with his parents, Mr. and Mrs. John Gale, and family.

Mrs. Ione Huffman, Chicago, spent a few days last week with Mrs. Frank McElaney.

Speaker Named for Club Meet

AMBOY—Mrs. Chester Hammond, garden chairman of the 13th District Federation of Women's Clubs, will be the guest speaker at the first fall meeting of the Amboy Evening Woman's Club which will be held in the club rooms of the Pankhurst Memorial Library Thursday evening.

Mrs. Hammond will speak on "A Glad For You" and her talk will include selection, planting, growing and storing of gladioli bulbs. She will also demonstrate the arranging of gladioli blooms in bouquets suitable for various occasions.

Mrs. Roy Vivian is program chairman for the evening and Mrs. George Kaleel, Miss Rose Murtaugh, Mrs. George Carr and Mrs. Theodore Leider are the hostesses.

The executive board of the club met in the home of the president, Mrs. George Larson, last Tuesday evening to formulate plans for the coming year. Members of the board are Mrs. Larson, Mrs. E. M. Sullivan, Mrs. O. P. Dickinson, Mrs. Richard Wagner, Miss Marye Hegert and Mrs. Kaleel.

Aemilia Earhart and her navigator, Fred J. Noonan, disappeared on July 2, 1937, while en route to Howland Island from Lae, New Guinea.

30 Days to Better Education—V Learn Jargon of Courses

By The Reading Laboratory, Inc.
Written for Newspaper Enterprise Association

Before we start, let's review the last four articles briefly. By now you should have begun to think of school positively, trying to get the most out of it. You've thought about your courses, trying to see just what they're driving at; you've taken a close look at your teacher to see what he's getting at and how to work with him, and you've started a regime of outside reading on your courses so that you can hold your own in any class discussion.

We're almost ready to get down to the hard realities of day-to-day studying, but there's still another tool that needs to be sharpened—that is, you have to begin to learn the jargon for each course, or to put it another way, you have to develop a course vocabulary.

Before you begin to study for a course, look through the first several chapters of your text, pick out the unfamiliar words and terms, and find their definitions. This is the beginning of the course vocabulary.

But since each subject will require a different kind of vocabulary you'll have to use a different method for acquiring each kind of vocabulary. Here are some of the best ways of developing the vocabulary for your courses:

In history, you'll be required to know the meaning of events rather than of words. For example, you won't memorize the wording of the Magna Charta, but will just understand what it was, and why it is important for English Common Law. For instance, you'd have to know that it gave privilege to the nobles rather than to the peasants—but that won't require memorization.

In biology, your definitions will be descriptive. For example, a deciduous tree sheds its leaves every year. You'll be able to get away without too much memorization if you can properly classify the thing to be defined.

Physics and chemistry, on the other hand, often present definitions as formulas. For example, Force = Mass × Velocity, and Carbon Dioxide = CO₂ (that's easy if you know that "di" means "two"). You can remember these formulas better if you understand why they must be as they are but they should be memorized, too.

Mathematics requires the most precise definitions of all. In the definition, "A relation is a strict simple ordering of A if and only if it is transitive, asymmetric, and connected on A," you can't afford to fool around with the order of the words. You had better memorize it!

Many of the definitions you learn will be of Latin or Greek origin. In a good English dictionary, you'll find the original meaning of the words as well as their present definition. If you know, for example, that the original meaning of "corolla" was "little crown," you'll have no trouble remembering that in biology it means the petals of a flower. While we're on biology, that word "deciduous" comes from a Latin word (decidere) which means "to fall off."

Developing a course vocabulary is the one thing you can't put off. The whole meaning of the course depends on it.

New Hair Style

HUTCHINSON, Kan. — Are teen-age boys giving up crew cuts and duck-tail hair styles? Hutchinson barbers report the newest fad is something called the Caesar cut — named for the style shown on marble busts of that old Roman, Julius Caesar.

The hair is cut short, combed forward from the crown to hang over the forehead in the form of bangs.

"It's easy to handle — that's why they wear them I guess," said barber Tony Entz.

First junior high school (Indianola Junior High) in the United States was established at Columbus, Ohio, in 1909.

Amboy Residents Without Water

AMBOY—Amboy residents were without city water for several hours Monday due to a break in the six-inch water main at the corner of Jefferson and Bluff Streets.

The break occurred at 12:30 p.m. and was repaired at 8 p.m.

Franklin Youth Back From Trip

FRANKLIN GROVE — Miss Cora C. Schafer, Franklin Grove, last week returned from a five-day youth conference at Holden Village in the Cascade Mountains of Washington. Miss Schafer attended the conference along with more than 150 representatives from all over the United States and Canada to evaluate and plan the youth program of the American Lutheran Church.

Miss Schafer is a member of the St. Paul's Lutheran Church, Franklin Grove, and is secretary of the Illinois District Youth Committee.

The American Lutheran Church is composed of more than 5,000 congregations throughout the United States and Canada. Its youth organization is known as the Luther League.

The Holden Village meeting reviewed the church's 1963 youth program and made plans for the 1964 and 1965 programs. The plans for 1964 include an international youth convention in Detroit, Mich., that is expected to draw more than 15,000 youths.

Holden Village is a former mining town in the Cascade Mountains and was operated for 21 years by the Howe Sound Company. After mining operations ceased in 1957, the village stood deserted for four years. In 1961 the whole village with all buildings intact was given to the Lutheran Bible Institute, which in turn gave it to the Lutheran Churches in America to operate as a retreat center.

The village can be reached only by boat on Lake Chelan, a three and one-half hour ride from Chelan, Wash. A full time faculty is maintained during the summer. Approximately 2,500 persons will have attended retreats at Holden Village this summer before the season closes in October. Other points of interest he visited on the trip to and from Holden Village were the Black Hills, Yellowstone National Park, Grand Coulee Dam and Glacier National Park. A total of 5,000 miles was traveled in completing the trip.

People in The News

Mrs. Alice Woessner, postmaster of the Franklin Grove Post Office, will leave this week to attend the National Convention of the National League of Postmasters in Dallas, Tex.

HE SAID IT FIRST

The phrase "Go West, young man, go West" did not originate with Horace Greeley, but first was used in an editorial by John Soule. Later it was reprinted by Greeley, to whom it generally is credited because of his great prominence.

BRIDGE PAINTERS

Daily, 50 workmen apply 300 gallons of paint to the Mackinac Bridge, a five-mile skyway across the Straits of Mackinac in northern Michigan.

Mr. and Mrs. Bert Ortgiesen, 710 Chicago Ave., and Mrs. Harold Emmert, Nachusa, were in Villa Park Saturday to attend the wedding of Marsha Van Matre and Warren Brigham at the First Christian Church and the reception following at the home of Mr. and Mrs. Roland Van Matre.

Things We Could All Do Without

By HAL BOYLE

NEW YORK (U)—Things we could all do without:

Girls who always wear tennis shoes but never play tennis. Any comedian who can't think up anything funnier to do than to knock his wife and mother-in-law. Television commercials showing people taking baths with an expression on their faces as if they were enjoying an orgy.

Professional football players who spend all their time in the locker room telling younger players what kind of goo to put on their hair. Restaurants that have an extra charge for bread and butter.

Waiters who take your order without indicating whether or not they heard you. Executives who brag about how much work they take home with them at night—after doing nothing in the office all day.

Women who kick off their shoes at the movies and then start hunting for them out loud just as the film reaches a climax. Small grave-eyed children who shake hands with you with a moist lollipop glued to their tiny paw.

Fat ladies on picnics who, after an ant crawls under their girdle, glare at you as if you had sliced the insect on them.

All men over 40 who stand on their hands at the beach. And all women under 40 who admire these juvenile masculine acrobats.

Ten-cent magazines that now sell for four bits. The 20-cent hot dog that tastes no better than the nickel hot dog used to.

People who invite you to their house for dinner—and then serve you a warmed-over, store-bought

pizza pie. Anybody who swears off smoking, except for the cigarettes he can borrow from you.

People who take up collections in the office for needless purposes—such as sending flowers to the boss' wife if her cat has kittens. Strangers who get mad if you answer the phone when they have dialed the wrong number.

Strangers who call up when you're taking a nap and ask, "Don't you think it's time to review your insurance portfolio?"

Who, in heaven's name, has so much insurance he has to lug it around in a portfolio?

Zipper on the back of wives' dresses. Why don't they put them in front so a woman can zip up herself?

Automatic elevators with piped-in music, thus forcing you to listen to the "Overture from William Tell"

while stuck between the 26th and 27th floors.

Jokes about John F. Kennedy and his family which originally were told about Franklin D. Roosevelt and his family.

Declare New Trial

SAN FRANCISCO (U)—A new trial for Capt. Alvin A. Klein on a bomb mailing charge was set Monday for Nov. 4. A mistrial was declared Friday in the case of the Army officer accused of mailing an explosive device from Saigon to his wife, Barbara, in Chicago.

The package exploded March 19 in the San Francisco International Airport post office. The blast injured two postal employees.

Klein testified he had mailed the device as a souvenir in the belief it was inert.

Split Speed Limit Poses Driving Problem

BROWNS MILLS, N.J. (U)—A motorist had better be sure of his direction when he travels on Burlington County Road 545 — the speed limit is 50 miles an hour northbound and 25 miles an hour southbound.

The split speed limit applies to a one-mile stretch of the highway bordering Ft. Dix. A spokesman for the military installation says the army has jurisdiction over half of roads bordering Ft. Dix and has posted a 25 m.p.h. speed limit on its half. The half bordering Pemberton Township is being maintained at 50 m.p.h.

That's not the only problem. Local police aren't sure whether they ought to ticket traffic violators on the military's half.
